Welcome to Our Scholarship Program 2025

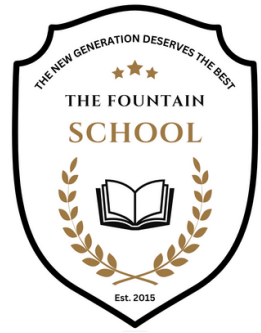

About the Scholarship:

Our scholarship program is designed to recognize and reward outstanding students who demonstrate academic excellence, leadership potential, and a commitment to making a positive impact in their communities. We believe in investing in the next generation of leaders, innovators, and changemakers, and our scholarship is one way we contribute to that vision.

Criteria:

To be eligible for the scholarship, applicants must meet the following criteria:

- 1. Academic Achievement:** Applicants must have a strong academic record, typically demonstrated by a minimum GPA requirement of 3.0 or equivalent.
- 2. Leadership Skills:** We are looking for individuals who have demonstrated leadership abilities either in academic, extracurricular, or community activities. This could include holding leadership positions in student organizations, participating in community service projects, or leading initiatives within their school or local community.
- 3. Commitment to Service:** We value applicants who have shown a dedication to serving others and making a positive impact in their communities. This could involve volunteering, activism, or other forms of community engagement.
- 4. Essay Submission:** Applicants will be required to submit an essay that demonstrates their passion, goals, and how they plan to use their education to make a difference in the world.
- 5. Financial Need:** While not a strict requirement, financial need may be considered as part of the selection process. We aim to provide support to those who may face financial barriers to accessing higher education.

Application Process:

- **Online Application:** Prospective applicants can submit an Expression of Interest (EOI), a preliminary application phase, via our school website. The application will entail providing personal details, academic transcripts, extracurricular involvements, a personal statement, and any supplementary materials specified in the application guidelines.
- **Review Process:** Our selection committee will carefully review all applications based on the criteria outlined above. Shortlisted candidates may be invited for interviews or additional assessments as part of the selection process.
- **Announcement of Recipients:** Scholarship recipients will be notified via email or phone and publicly announced on our website and social media platforms.

Application Deadline:

The application period for the 2025 Scholarship Program opens on December 1, 2024. Ensure you submit your application by the deadline on February 10, 2025, as late submissions will not be considered.
